

MOVE-OUT GUIDE

Please don't leave in a rush.

During your move, you can reduce waste and conserve resources by using the tips and resources listed here.

NEED PACKING MATERIALS?

- Ask your property manager if another resident recently moved and left behind empty boxes and other packing supplies.
- Check **Craigslist.org** and **Freecycle.org** to see if another local resident has posted moving supplies.
- Visit nearby moving companies like U-Haul; they may have gently-used boxes available for no charge.
- Avoid using packing materials that are not reusable or recyclable.

LivermoreSanitation.com

UNWANTED HOUSEHOLD ITEMS?

If they're still in good condition, choose to sell or donate instead of dispose. Take a trip to a local consignment shop or try using one of these resources:

Craigslist.org
Freecycle.org
Eastbaygoodwill.org
SATruck.org
SVDP-alameda.org

Or, consider donating to a favorite local church or charity.

Items that are no longer usable can be placed in your **Recyclables** or **Garbage** cart/bin. Please sort correctly. To arrange for collection of large items, ask your property manager to contact Livermore Sanitation.

PUT HOUSEHOLD HAZARDOUS WASTE IN ITS PLACE. Items like pesticides, fertilizers, paint/varnish, toxic cleaning products, mercury-containing items (thermometers, fluorescent lights, etc.), unwanted medications, and sharps (needles and lances) need to be taken to a hazardous waste collection facility. For information about Alameda County's FREE drop-off facility located right here in Livermore, go to www.household-hazwaste.org or call 1-800-606-6606.
