

Make the Most of Your Curbside Collection Program:

DONATE UNWANTED CLOTHING - During the first week of January, April, July and October, we will collect your gently-used clothing for donation to a local charity. On your regularly scheduled collection day, place your clothing in a tightly tied clear bag and set it out next to your blue **Recyclables** cart for pickup.

RECYCLE OLD CELL PHONES - Put your old cell or smart phone(s) and accessories in a clear zipper-lock bag and place on top of your blue **Recyclables** cart on collection day. We'll recycle responsibly!

RECYCLE USED MOTOR OIL/FILTERS - Put your secured oil jug and bagged filter on the curb next to your blue **Recyclables** cart on collection day. We will collect up to 2 gallons of oil and 1 oil filter per household weekly. Free replacement oil jugs and filter bags will be left for your convenience or can be picked up from our office.

RECYCLE PLASTIC BAGS - To recycle multiple plastic bags, stuff one bag full of the others, tie off the full bag, and place inside your **Recyclables** cart.

Collection Day Checklist

- Place carts at the curb by 6:00 a.m.
- Make sure cart wheels are facing your home.
- Remove any overflow so that cart lids close completely. Contact us if additional service is needed.
- Leave three feet between each cart.
- Avoid placing carts in bike lanes or by obstacles like mail boxes, low-hanging tree branches, and parked cars.

Conserve Water by Putting Recyclables in Your Blue Cart!

- Recycling aluminum and steel reduces water pollution and uses 40% less water.
- Recycling one ton of paper and one ton of glass saves almost 20,000 gallons of water.

Visit www.cityoflivermore.net and www.calwater.com to learn more ways to save our water.

Did You Know?

Dirty trucks save water.
Livermore Sanitation is saving water by washing our trucks less often.

Save the Date:

NATIONAL NIGHT OUT

Residents Pledge to Recycle Food Scraps!

Our lovable mascot Binny made friends at the Livermore Wine Country Festival this year. In addition to giving Binny hugs and friendly waves “hello,” some residents stopped by to show support for the food scrap recycling program. Here, a new mom holds up a sign pledging to participate.

We need more residents to feed Binny food scraps and food-soiled paper, so Livermore can do its part to reduce greenhouse gases and create valuable compost. If you participate, thank you!

Consider asking a friend or neighbor to join in. If you currently don't participate, consider trying it out. For more information, visit www.LivermoreRecycles.org.
