

Your Residential Curbside Collection Program Includes:

USED MOTOR OIL/FILTERS COLLECTION

We will collect up to two gallons of oil and one oil filter per household per week. Put your tightly closed oil jug and bagged, used filter next to your blue **Recyclables** cart on collection day. Free replacement oil jugs and filter bags will be left for your convenience or can be picked up from our office.

CELL PHONES AND HOUSEHOLD BATTERIES COLLECTION

Put your old cell phone(s) and phone accessories and your household batteries (**do not mix together please!**) in clear zipper-style bags and place bags on top of your blue **Recyclables** cart on collection day.

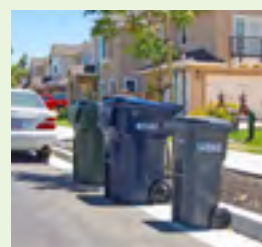

UNWANTED CLOTHING COLLECTION

During the first week of January, April, July and October, we will collect your gently-used clothing for donation to a local charity. On your regularly scheduled collection day, place your clothing in a tightly tied clear bag and put next to your blue **Recyclables** cart for pickup.

SERVICE REMINDER:

Proper Cart Placement

- ☑ Place carts at the curb by 6:00 a.m.
- ☑ Make sure cart wheels are facing your home.
- ☑ Remove any overflow so that cart lids close completely. Contact us if additional service is needed.
- ☑ Leave three feet between each cart.
- ☑ Avoid placing carts by obstacles like mail boxes, low-hanging tree branches, and parked cars.
- ☑ Keep our bicyclists both young and old safe; don't place carts in bike lanes.

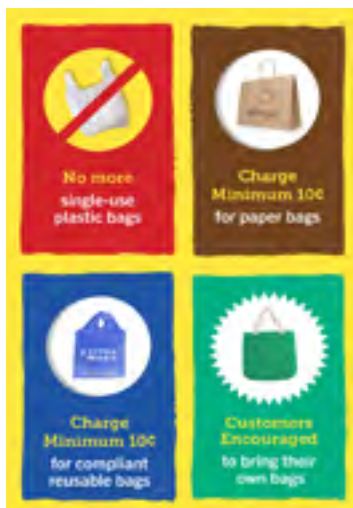

The Reusable Bag Law is Expanding!

Beginning May 1, all retail stores in Alameda County can only distribute recycled content paper and compliant reusable bags. A minimum price of 10 cents per bag must be charged and itemized on the receipt. Residents who find local stores not following the expanded law should contact:

Bags@StopWaste.org or **510-891-6575**.

The Reusable Bag Law is designed to reduce waste and keep plastic bags out of local waterways. For more information, visit: www.ReusableBagsAC.org.

Holiday Schedule

Service days will not change during the week of Labor Day.
