

MANAGING GARDEN AND YARD PESTS

Toxic products such as: pesticides, herbicides, fertilizers, and sprays that are used to manage garden pests do NOT belong in any Livermore Sanitation cart or bin. Toxic products and all other hazardous materials should be taken to the **Alameda County Household Hazardous Waste Facility - 5584 La Ribera Street, Livermore.** Call **800-606-6606** or visit **StopWaste.Org/hhw** for more information.

FOR NON-TOXIC GARDEN AND YARD MANAGEMENT ALTERNATIVES:

Visit Stopwaste.org/recycling/residents/household-hazardous-waste/pest-garden for information and recipes of homemade alternatives to toxic garden pest control products.

OurWaterOurWorld.org features facts sheets that list the least toxic methods available for garden and yard management.
