

DISPOSE OF SHARPS SAFELY

Please remember that sharps are **NOT** allowed in any Livermore Sanitation collection container. Ask your doctor or pharmacist about available disposal options. Or, contact Alameda County Household Hazardous Waste at **1-800-606-6606** or **www.stopwaste.org/hhw** for information on safe, free disposal.

MINIMIZE STORMWATER POLLUTION BY PROPERLY MAINTAINING YOUR VEHICLE.

- ☑ Check your driveway/regular parking area for auto fluid drips. If your car is leaking, place a drip pan under your car and arrange to get it repaired.
- ☑ Have your oil changed regularly. The longer engine oil is in service, the thinner it gets and the more likely it is to leak.
- ☑ If you change your own oil/filters, contain and dispose of them properly. Contact us for details regarding our free used oil/filter collection program.
