

## DISPOSE OF SHARPS SAFELY

Please remember that sharps are **NOT** allowed in any Livermore Sanitation collection container. Ask your doctor or pharmacist about available disposal options. Or, contact Alameda County Household Hazardous Waste at **1-800-606-6606** or **[www.stopwaste.org/hhw](http://www.stopwaste.org/hhw)** for information on safe, free disposal.

## MINIMIZE STORMWATER POLLUTION BY PROPERLY MAINTAINING YOUR VEHICLE.

- ☑ Check your driveway or regular parking area for auto fluid drips. If your car is leaking, place a drip pan under your car and arrange to get it repaired.
- ☑ Have your oil changed regularly. The longer engine oil is in service, the thinner it gets and the more likely it is to leak.
- ☑ If you change your own oil and filters, contain and dispose of them properly. Contact us for details regarding our free used oil and filter collection program.
